A PROSPECT OF THE NEW WATERLOO BRIDGE

£2,200.00

A View of the Waterloo Bridge, from the design of John Rennie Esq.
F.R.S. and Engineer to the company.

Cartographer	ANDERSON, William.
Date	1838
Stock #:	18488
Publication:	London, 1822.. Aquatint with original colour.
Condition:	A long crease near margin on the right side.

DESCRIPTION:

A view of the first Waterloo Bridge, designed by John Rennie and completed 1817. It looks east towards the City of London, with a skyline dominated by St Paul's Cathedral. Even today the view of the City from Waterloo Bridge is regarded as the best from ground level.
