A SCARCE PLAN OF THE DEFENCES OF MAASTRICHT

£480.00

Plan de Maestricht.

Cartographer	BEAURAIN, Jean de.
Date	1760
Stock #:	20557
Publication:	Paris, c.1760. 240 x 370mm.
Condition:	Trimmed to printed border on left.

DESCRIPTION:

A detailed plan of the defences of Maastricht by Jean de Beaurain (1696-1771), geographer to Louis XV. Engraved by Charles Inselin and first published in 1740, the map was originally designed to illustrate a history of the campaigns of Louis XIV; this example has been updated to be more contemporary, with the 18th century Fort St Pieter top left.
