£6,500.00

La Nuova Deschricione della Lombardia.dell Anno 1693.

Cartographer	BERTELLI, Donato.
Date	1693
Stock #:	22302
Publication:	Venice: Domenico Lovisa, 1693. Two sheet conjoined, total 485 x 740mm.
Condition:	A few signs of wear, tail of '9' of date scratched out.

DESCRIPTION:

A map of northern Italy which, despite the title, depicts the River Po's drainage basin, so extends from Lake Geneva to Venice, Florence and Nice.

Based on a map by Giacomo Gastaldi, this map was first published by Bertelli c.1573. In 1663 the map was reissued by Stefano Scolari, with this new, rather basic, title. This third and last state only has the date changed.

A very rare map
