**Cartographer** BILLMARK, C.J.

**Date** 1850

**Stock #:** 10136

**Publication:** Stockholm: J.C.Hedbom, c.1850. Printed boards, with 16pp. description of Stockholm by Felix Droinet, with a lithographed panorama on five sheets conjoined, total 280 x 2140mm.

**Condition:** Some spotting.

## DESCRIPTION:

A true panorama of Stockholm (i.e. a full 360° view), taken from the dome of the Skeppsholmen Church, now the Eric Ericsonhallen concert hall.

Carl Johan Billmark (1804-1870) was a Swedish painter and lithographer best known for his book of views along the Trollhätten canal (designed by the British engineer Thomas Telford), published 1843. On the back board is a plan of Stockholm.
