PORTRAIT OF COOK FROM HIS 'VOYAGE TOWARDS THE SOUTH POLE'

£275.00

Captain James Cook. F.R.S.

Cartographer	HODGES, William.
Date	1775
Stock #:	17110
Publication:	London, 1777. 265 x 210mm.
Condition:	A good example.

DESCRIPTION:

Portrait of Captain James Cook, engraved by James Basire from a portrait by William Hodges, published as the frontispiece to 'A Voyage towards the South Pole', the official account of Cook's Second Voyage. On this expedition (1772-5) he circumnavigated the world as far south as he could, attempting to locate any 'Terra Australis Incognita'.
