| <b>Condition:</b>   | Split in centre fold repaired.                                      |

### DESCRIPTION:

A decorative early chart of the British Isles, orientated with north to the right. with fine cartouches for the title and scale in full colour, first published in Doncker's 'De Zee-atlas of Water-Waerld' of 1665. This is an example of the first state: after 1669 the date was removed.
