A 17TH CENTURY WALL MAP OF EUROPE ON FOUR SHEETS

£2,000.00

L'Europe.

Cartographer DU VAL, Pierre.

Date 1668

Stock #: 19780

Publication: Paris, 1668. Original outline colour. Four sheets joined in pairs. Each pair 400 x 990mm.

Condition: A few small repairs.

DESCRIPTION:

An early example of this scarce French map of Europe, printed on four sheets joined in pairs horizontally, with a large main title cartouche of armorials of the main nations, with four extra titles for each sheet. Complete examples of this map are hard to find despite being re-printed in later editions dated 1677 and 1688.
