| Cartographer | HUMBERT. |
| Date | 1860 |
| Stock #: | 21669 |
| Publication: | Paris c.1860. Lithograph. Sheet 335 x 500mm. |
| Condition: | Restoration at top margin. |

DESCRIPTION:

A collection of illustrations of the solar system, including the sizes of the planets, several views of Halley's Comet at various times during its visit of 1835-6, and two of Biela's Comet, which split in two in 1845 and has now probably broken up completely.
