A 17TH CENTURY TOWN PLAN OF ROTTERDAM

£980.00

Rotterdam.

Cartographer	JANSSON, Jan.
Date	1698
Stock #:	22687
Publication:	Amsterdam, Frederick de Wit. c.1698. 400 x 510mm.
Condition:	A good example.

DESCRIPTION:

A fine and dark impression of this detailed bird's-eye view of Rotterdam, although not attempting to be a correct perspective, with a 48-point key. Originally published by Jansson, this example comes from the scarce de Wit's Townbook of the Netherlands, in which he used the plans acquired from Blaeu & Jansson firms in addition to his own.
