A VERY SCARCE PLAN OF ARCEVIA

£950.00

Rocca Contrada.

Cartographer LAURO, Giacomo.

Date 1608

Stock #: 18989

Publication: Rome, 1608. Engraving. 280 x 395mm.

Condition: A good example.

DESCRIPTION:

A plan of Arcevia in the style of a bird's-eye view, first published in 1594, but this example with the date altered. It is likely that the view was drawn by Ercole Ramazzini (1530-98), a native of the town.

The engraver, Giacomo Lauro of Rome, is best known for his 'Antiquae Urbis splendor', a collection of 177 plates of Roman monuments, begun in 1586 and eventually issued in four volumes, published 1612, 1613, 1615 and 1628.
