| <b>Condition:</b>                         | A little toning from text.             |

### DESCRIPTION:

A map of West Africa, with the Senegal and Niger Rivers, Timbuktu, Songo ('Capital of Mandinga') and 'Extent of the Ashantee Territory'.

The fictitious 'Mountains of Kong', James Rennell's explanation for the flow of the Niger away from the sea, stretch across the map.
