A LARGE PLAN OF PARIS DURING THE RISE OF NAPOLEON

£1,000.00

Plan Géometral de Paris et de ses Fauxbourgs.

Cartographer	ROBERT DE VAUGONDY, Didier.
Date	1797
Stock #:	20620
Publication:	Paris: Charles François Delamarche, 1797.
Condition:	Minor restoration at folds.

DESCRIPTION:

A large and detailed map of Paris, first published in 1787 but here in a second edition reissued as Napoleon was leading the armies of France to victory in Italy and the Directory purged the Royalists from the National Assembly. Extensive keys relate to the grid across the plan.
