A MAP OF LONDON WITH VIGNETTES

£700.00

London.

Cartographer	Society for the Diffusion of Useful Knowledge.
Date	1836
Stock #:	15496
Publication:	London: Baldwin & Cradock, 1836. Original colour. Dissected and laid on linen, total 400 x 650mm, folded into original covers.
Condition:	A good example.

DESCRIPTION:

A decorative folding map of London with vignettes of the Tower of London from London Bridge and London from Holloway, with lengths of bridges shown and with elevations of principal buildings along the bottom margin. Unusual to find this map sold separately in a booklet format as this example, it is normally found bound in the SDUK as part of the atlas volume.
