CLASSIC 18TH CENTURY MAP OF ASIA

£750.00

Asia cum omnibus Imperiis Provinciis, Statibus et Insulis...

Cartographer SEUTTER, Matthaus.
Date 1735
Stock #: 23877
Publication: Augsburg, c.1735. Original colour with additions to the cartouches. 500 x 585mm.
Condition: A good example.

DESCRIPTION:

A fine example of this decorative map of Asia, with two cartouches representing the wealth and culture of the continent. Both 'Yedso' and 'Companie Land' appear above Japan; Novaya Zemla is connected to mainland Russia; and New Britain is depicted in a squarish shape, expanded from the southern coast mapped by Dampier in 1700.
