Pianta della città di Milano 1840.

Cartographer TUA, Antonio.

Date 1840

Publication: Milan: Ferdinando Artaria & Son, 1840.

Dissected and laid on linen, as issued, 500 x 580mm, folded onto the original publisher's slipcase with title label.

Condition: A good example.

DESCRIPTION:

A well engraved town plan of Milan, engraved by Gaspare Cagnoni, with an extensive key and an inset view of the Duomo.

Despite being first published in 1817 there are no obvious updates to the mapping. A fine example.
